

ODEON

A trip to the cinema is always a special experience. Treating your employees, clients, distributors or suppliers with the gift of ODEON bulk cinema vouchers makes it even more special.

### WHY CINEMA?

It's more than just a ticket voucher. It's the anticipation of a night out that will transport you to a different time, a different place. It's the magic that happens when phones are turned off, as the house lights dim, the big screen awakens and a door opens to another world. No distractions. No interruptions. No compromises. It's being whisked away on an incredible adventure. Sinking into comfortable seats and falling into the story, letting go as the big screen inspires us, igniting our imaginations. It's the silence, the surround sound, the thrill, the tears, the laughter. It's an experience.

### WHY ODEON?

At ODEON, movies are much more than just movies. At each of its 115+ cinemas across the UK & Ireland, ODEON delivers experiences that are more immersive, more memorable, more delicious, more seamless. With state-of-the-art technology, a growing portfolio of Luxe recliner cinemas, freshly warmed popcorn, world-famous nacho cheese sauce, Oscar's Bars, and teams that strive to make every guest feel special, ODEON is about more than just a movie. It's about a timeless tradition that's interwoven into ODEON's culture.
